# Swiss Society of Pediatric Cardiology 9th Scientific Meeting

**November 10th 2017 | Auditorium UKBB**

# Dear Colleagues

It is our great pleasure to invite you to the 9th Scientific Meeting of the Swiss Society of Pediatric Cardiology in Basel. The program highlights a range of new topics in the fascinating field of pediatric and congenital cardiology.

Cutting-edge talks, interesting case reports, as well as presentations on recent research and teaching projects will provide a platform for intensive exchange in a friendly and personal atmosphere.

Our target audience reflects our interdisciplinary approach and includes those caring for patients with heart problems from fetal to adult life. We are looking forward to meeting you soon at UKBB.
