

## Call for Abstracts for the Joint Annual Meeting of the Swiss Society of Cardiology and Swiss Society of Cardiac Surgery from 15-17 June 2022 in St. Gallen

**Submit your abstract now to be able to present your scientific work to a broad professional audience!**

An abstract is a summary of a scientific work. Abstracts to be graded by SSC/SSCS members should be submitted until **Monday, 31 January 2022** via the SSC/SSCS internet site. Abstracts sent by fax or email will not be accepted.

Abstracts must be submitted in English. Presentations of accepted abstracts or posters can be given in German, French or English.

Please structure your abstract according to the following headings:

- Introduction
- Method
- Results
- Conclusion

A panel of experts consisting of physicians and nurses will rate the submitted abstracts. We are pleased to offer a special prize. The prize will be presented for the best abstract submitted under the category of Nurses and Allied Professionals (provided more than 3 abstracts are submitted).

Further information on abstract submission can be found at <https://www.cardio-congress.ch/sgk2022/abstracts.html>

We would like to have you submit an abstract and are looking forward to numerous oral abstract presentations and poster presentations within the specialty area of cardiovascular nursing and allied professions during the congress next June in St. Gallen.

Best regards and best wishes,

AG KAPT & AFG Cardiovascular Nursing/VFP
